Are you engaged, planning to get married, or have a desire to be married? If so, there are some things to deal with **BEFORE YOU SAY I DO.**

Do you REALLY want to be married?
Do you REALLY want to marry him/her?
Where does he work? Will she do any work?
How many baby mamas or baby daddies will you have to deal with?
Did God join you together ... or was it hormones or your momma?

These and other issues must be dealt with BEFORE YOU SAY I DO.
